final pdf -super final ecpe c2 super final pdf author name author of michigan ecpe c2 super final pdf -super final ecpe c2 super final pdf only wait for result score. before sending the answer sheet can you kindly provide me the answer of super final ecpe c2 super final pdf please. and the answer on what day? and can you please help me to solve this problem (sorry for my bad english). A: Try this: `$username = $_SESSION['username'];
//echo $result['date']; //$time = $result['time']; //$time = '{$time}'; //echo "
//print_r($result); //echo ";` } ?> and try if you get any error in execution, probably because if you have not SET the "username" session the value is empty or wrong. So the user name can be either devi (whatever that is) or Suman and thus so we have to test if the variable is defined and if is defined, get that
